My husband and I joined the HHI Shag Club when we moved to the Island from Connecticut in June of 2023. We have been dancing for 14 year and we are really enjoying learning the Shag, meeting all of the great people that are part of the club and having so much fun at the Friday night dances.

I have an Associates Degree in Accounting and have had my own Bookkeeping Service business since 2006. I have been doing bookkeeping and accounting work for all of my adult life. I was a bookkeeper for our family owned glass business for almost 30 years and the Controller for a Construction company. I have also been an Administrative Assistant for 2 different companies.

Besides my bookkeeping background, I served as Treasurer for a BNI Group and President, Vice-President & Treasurer of a Home School Association. I am a QuickBooks Pro Advisor and was a Notary Public while I was living in CT.

Thank you for considering me for the position of Treasurer for the club.
